

AUDIT SENIOR/SUPERVISOR

- **Opportunity to work on the entire assignment**
- **Leadership role**
- **Flexible hours**
- **Dynamic and progressive 2-tier CA firm**

An opportunity exists to join a dynamic Chartered Accountants practice with a diverse client base and multi-discipline practice divisions. Located on St Kilda Road, near St Kilda Junction, enjoy flexible hours and easy transport access.

A senior/supervisory audit position exists for a CA/CPA qualified and suitably experienced Auditor who wishes to continue and enhance their specialisation in external audit.

The candidate should:

- Have strong organisational abilities and be an effective communicator
- Have an advanced working knowledge of financial reporting requirements, Auditing and Accounting Standards
- Be self-motivating and keen to do well in this role
- Demonstrate strong technical ability and be able to provide practical solutions.

The primary role and responsibility will be the delivery of audit services for a variety of clients. This includes: planning, preparing, and delivering statutory and other external audits, working independently or leading a team, reporting to the audit manager and partner.

Proficient knowledge of CaseWare Audit Software will be highly regarded.

Lowe Lippmann offers broad on-the-job training as well as access to continual professional development.

The work environment is positive, friendly, and supportive with the opportunity to balance life and work with flexible hours for suitable candidates.

Salary by Negotiation.
